Solutions First is now part of the Guardian Credit Union family!

We are thrilled to let you know that members have approved the merger between Solutions First Federal Credit Union and Guardian Credit Union. We look forward to welcoming you to the Guardian family and giving you even more tools to achieve your financial goals.

While we're excited about what's ahead, nothing changes right away. You can keep banking exactly as you always have, with the same accounts, services, and people you know and trust, until September 2, when your accounts will officially convert to Guardian Credit Union.

We encourage you to stay informed with the latest updates, FAQs, and helpful resources on our dedicated Merger Information page at myguardiancu.com/sfcu-merger.

As a Guardian member, you'll enjoy expanded access, including:

- A network of **19 convenient branch locations** across central Alabama
- Secure online and mobile banking available **24/7**
- A broader selection of personal loans and deposit products
- Additional services like **Insurance, Financial Planning, and Home Loans**

Most importantly, you'll continue to receive the personal service and community commitment you expect from your credit union. Guardian is dedicated to serving our members and strengthening the communities we all call home.

Thank you for your trust and support. We are honored to welcome you and look forward to meeting you soon.
