YOUR QUESTIONS ANSWERED

- **Why are you replacing my existing debit card?**
We've partnered with Mastercard to improve your benefits and add chip technology to your card at no cost to you.
- **Why does my new card contain a microchip?**
Guardian Credit Union is moving to chip technology because it provides more security and ease of use in other countries and is expected to become standard in the U.S.
- **What other new benefits will I gain?**
As soon as you activate your new card, you'll gain immediate access to Identity Theft Resolution Services, Mastercard Global Service™, Mastercard Airport Concierge™, Extended Warranty, Price Protection and Satisfaction Guarantee which are described inside this brochure.¹
- **What do I need to do?**
 1. Activate and start using your new Mastercard today.
 2. Provide your new card number to any merchants that automatically bill your old card.
 3. Look for your new PIN in the mail.

Your old card is scheduled to expire 30 days after your new card is shipped
