

New Debit Card Information

This document is part of the merger between Solutions First and Guardian Credit Union

If you have a checking account with Solutions First Credit Union, you'll receive a debit card and this insert in the mail during mid-to-late August. This insert provides important information about your new Guardian Credit Union debit cards, including activation instructions and when you can begin using them.

Please review the insert carefully and keep it for future reference.

Your new debit card will be ready to use beginning September 2, when your accounts officially transition to Guardian Credit Union. Until then, continue using your current Solutions First debit card unless otherwise instructed.

We're excited to have you as a member of Guardian Credit Union!

Hold onto this card until **September 2**. On that date, activate and start using this Guardian Credit Union debit card. **Your current Solutions First debit card will stop working on September 2.**

Starting September 2:

- Activate your card by **calling the phone number on the sticker** attached to your card. You'll need the following information for the **PRIMARY account holder**:
 - Last four digits of their Social Security Number**
 - Date of birth**
 - ZIP code associated with account**
- **Update** your subscriptions and recurring payments to your new debit card.

Your New Guardian Perks

Cell Phone Protection

Early Direct Deposit

Free ATMs Worldwide

Zero Liability
